

REMARKS

In response to the Notice of Allowability and Examiner's Amendment, dated September 30, 2009, Applicant has amended the claims, which are written to include the Examiner's amendments, to correct minor grammatical/typographical errors therein. In particular, claim 8, line 3, and claim 19, line 4, have been amended to insert a comma after "lip". Also, claim 8, line 10, and claim 19, line 8, have been amended to insert "of" after "lip". Applicant respectfully submits that no new matter has been presented by this Amendment, and the Amendment raises no new issues requiring further search and/or consideration by the Examiner.

Applicant respectfully submits that this Amendment is made solely to correct minor grammatical/typographical errors. The marked changes to the claims show only the grammatical/typographical corrections enumerated above. These amendments require no substantial amount of additional work on the part of the Patent Office, and entry of the Amendment is proper under 37 C.F.R. §1.312.

Applicant respectfully requests full entry of this Amendment under 37 C.F.R. §1.312 and passing of the current application to issue.

Respectfully submitted,
